Dear Parent/Guardian:

The Our Educational Cooperative is attempting to identify families which have two, three and four-year-old children who may be eligible to participate in the Home Instruction Program for Parents of Preschool Youngsters (HIPPY). Children must be two, three or four years by August 1, 2021

The HIPPY program is a two-year endeavor designed to help any parent successfully teach his or her child the readiness skills necessary to begin kindergarten. A Home Based Educator will visit the home of a student for one hour each week to “role play” preplanned lessons with the parent. The parent will, in turn, teach his or her child for 15 minutes each day for 30 weeks.

This vital program is provided for parents/guardians, free of charge, by the Ozarks Unlimited Resources Educational Cooperative. Parents will receive 9 storybooks, crayons, scissors, glue, pencils and various shapes-all necessary to successfully complete the HIPPY program.

If you have a two, three or four-year-old, and would be interested in the Program, please fill out the form below and return it to your child’s school as soon as possible. If you do not have a child eligible for our program, but know of someone who does, please share this letter with him or her.

Sincerely,

Cindy Lambe  
HIPPY Coordinator
