## **TABLE OF CONTENT**

**Academics...Pg. 2**

**Attendance...Pg. 4**

**Building Cleanliness...Pg. 5**

**Meal Service...Pg. 6**

**Student safety...Pg. 7**

**Masks and Isolation/Quarantine Protocol...Pg. 8**

**Transportation...Pg. 9**

**Visitors...Pg. 10**

## **Ready for Learning Guiding Coalition members:**

Alisha Dixon, Travis Dixon, Tara Breer, Diane Grinder, Jess Knapp, Matt Grinder, Gwen Rains, Duane Ingram, David Pilgrim, Denise Turney, Ronnie Horton, Ariel Kelley, Samantha Sabo, Francis Zemlik, Travis Freeman, Hope Freeman, John McCleary, Wendy Nelson, Nichole Cunningham, Jeff Lewis, Billy Carter, Kelsey Treadwell, Kelly Smith, Amber Smith

# ACADEMICS

New Core Curriculum has been purchased for all grade levels and content areas. Teachers will utilize the new curriculum, along with new supplemental resources, to bridge any remaining gaps in learning.

We have added 2 RTI periods to the daily schedule.

Teachers will utilize diagnostic screeners to determine learning loss. Students who are “at-risk” academically in any content area, will be assessed using progress monitoring tools in place with each curriculum resource.

A new math intervention program has been purchased to provide extra practice for students struggling in math.

OMSD will utilize ESSER funds to hire interventionists on each campus to aide in eliminating learning gaps for students.

OMSD has been approved for 10 AMI days for the 2021-2022 school year. All new core and supplemental curriculum has a digital component in place to use during any such event.

OMSD will utilize Google Classroom as the LMS for all traditional students. If students are quarantined, teachers can place assignments in Google classrooms. They will not be expected to teach virtually.

Hotspots will continue to be provided at no cost to any family who needs them. In addition, we will continue to provide paper and pencil work for any family that prefers this method.

## **ATTENDANCE**

For the 2021-2022 school year, the attendance policies will revert back to the original policies in the student handbook. All students enrolled at OMSD will either be enrolled in the OMSD Virtual Academy or as a traditional student. We will NOT have a hybrid option.

Absences will revert to the original policies with the exception of adding a documented quarantine or positive Covid-19 test as excused absences.

# **BUILDING CLEANLINESS**

Hand Sanitizer in every room of the building.

Signage around building

Tables and high touch surfaces will be sanitized throughout the day with sanitizing wipes.

Classroom doors may be left open to minimize cross contamination.

Classrooms will be sprayed with the fogging sanitizer as needed.

All high touch surfaces will be regularly sanitized throughout the day.

Air purifiers have been added to each classroom in the district.

# MEAL SERVICE

All K-12 students will be eating their breakfast in the classroom by picking up grab and go breakfast from the cafeteria and taking that to their homeroom.

Cafeteria will be sanitized between each shift of students in the cafeteria.

Seating charts will be kept for the lunchroom to help with contact tracing.

## **STUDENT SAFETY**

We realize that student safety is on the minds of all our families. We have taken the following steps to ensure the best safety procedures possible for our schools.

Staff and students who have a fever or do not feel well will be encouraged to stay home. Anyone with a temperature of 100.4 or greater will be required to go home.

Hand sanitizer will be in every room of the building.

No student will be allowed to drink straight from the fountain. We will be providing a water bottle for each student and staff member. Water bottle filling stations have been added on each campus

All parents will need to drop students off at the main entrance of each school in order to ensure no congregating in other areas of the building.

Students can not be dropped off before 7:30am.

Classroom windows will be open when possible to improve ventilation.

## **MASK REQUIREMENTS**

Our masking policy has become flexible. Any staff or student who wishes to wear a mask may do so. However, it will not be mandated.

Updated Guidance for Schools based on Revised CDC Guidelines 1/6/2022  
Isolation is required for anyone who has tested positive for COVID-19, regardless of vaccination status.

- You must stay home for the first 5 days of your quarantine. This starts the day that symptoms started or the day of testing if you have no symptoms.
- If you have no symptoms or your symptoms are resolving after 5 days, you can return to school. You must be fever free for 24 hours.

# **TRANSPORTATION**

School buses will be sanitized following each bus route or any trip.

Seating charts will be made and adhered to in order to ensure contact tracing ability on buses in case of a positive test.

Student seating will be staggered on buses where possible.

Buses will have windows lowered when possible to improve ventilation.

# VISITORS

In order to ensure the safest building possible for our students, all visitors to our campuses will be required to make an appointment.

In the case of late drop off or early pick up of students, please call the school and let us know you are in the parking lot. We will come to the door to escort the student.
