

8.30—CLASSIFIED PERSONNEL REDUCTION IN FORCE

SECTION ONE

The School Board acknowledges its authority to conduct a reduction in force (RIF) when a decrease in enrollment or other reason(s) make such a reduction necessary or desirable. A RIF will be conducted when the need for a reduction in the work force exceeds the normal rate of attrition for that portion of the staff that is in excess of the needs of the district as determined by the superintendent.

In effecting a RIF, the primary goals of the school district shall be: what is in the best interests of the students; to maintain accreditation in compliance with the Standards for Accreditation of Arkansas Public Schools and/or the North Central Association; and the needs of the district. A RIF will be implemented when the superintendent determines it is advisable to do so and shall be effected through non-renewal, termination, or both. Any RIF will be conducted by evaluating the needs and long- and short-term goals of the school district in relation to the staffing of the district.

If a RIF becomes necessary, the RIF shall be conducted separately for each occupational category of classified personnel identified within the district on the basis of each employee's points as determined by the schedule contained in this policy. The employee within each occupational category with the fewest number of points will not be recommended for renewal or will be terminated-first.

Points

- Employee evaluation scores
 - 3 points - Received the highest evaluation score
 - 2 points - Received the second highest evaluation score
- Advanced degree in any area relevant to the employee's position (only the highest level of points apply)
 - 1 point - Master's degree
 - 2 points - Master's degree plus thirty additional hours
 - 3 points - Doctoral degree
- License or credential relevant to the position
 - 1 point - Basic license or certification
 - 2 points - Advanced license or certification

When the District is conducting a RIF, all potentially affected classified employees shall receive a listing of the personnel within their category with corresponding point totals. Upon receipt of the list, each employee has ten (10) working days within which to appeal their point total to the superintendent whose decision shall be final. Except for changes made pursuant to the appeals process, no changes will be made to the list that would affect an employee's total after the list is released.

Except as may occur during a RIF in the District's teaching staff, there is no right or implied right for any employee to "bump" or displace any other employee. When there is a RIF of the District's teaching staff, a teacher with full licensure in a position shall prevail over a teacher with greater points but who is lacking full licensure in that subject area. "Full licensure" means an initial, or standard, non-contingent license to teach in a subject area or grade level, in contrast with a license that is provisional; temporary; or conditional on the fulfillment of additional course work or passing exams or any other requirement of the Division of Elementary and Secondary Education, other than the attainment of annual professional development training; or teaching

under a waiver from licensure. The exception for a RIF in the District's teaching staff specifically does not allow a licensed employee who might wish to assume a classified position to displace a classified employee.

In the event of a tie between two (2) or more employees, the employee(s) shall be retained based on the following:²

1. An employee with the highest evaluation rating shall be retained over an employee with the second highest evaluation rating.
2. If both employees have the same evaluation rating, the employee whose name appears first in the Board minutes to be hired shall be retained.

Pursuant to any brought about by consolidation or annexation and as a part of it, the salaries of all employees will be brought into compliance, by a partial RIF if necessary, with the receiving district's salary schedule. Further adjustments will be made if length of contract or job assignments change. A Partial RIF may also be conducted in conjunction with any job reassignment whether or not it is conducted in relation to an annexation or consolidation.

Recall

There shall be no right of recall for any classified employee.

SECTION TWO

In the event the district is involved in an annexation or consolidation, employees from all the districts involved will be ranked in accordance with Section 1 of this policy. The date of hire by the board of an annexed or consolidated district shall be used to settle a tie between employees.
