Body Mass Index (BMI)

Hint

Develop a brief narrative of student BMI trends based on the analysis of the data.

There were a total of 13 females screened and of those screened 42.86% were at a healthy weight despite 43% obese or overweight.

There were a total of 28 males screened and of those screened 42% were at a healthy weight despite 56% obese or overweight.

Due to increase in physical activity and healthy nutrition and options there will be a %3 percent increase in students registering in the healthy weight category by the end of the 2024 school year as reported by the district in the annual BMI report

Additional Health Data (Optional)

Hint

Develop a brief narrative of other health and wellness data. (Optional)

Section III: Health and Wellness Goals

Indicate the LEA's compliance with the following State Mandates:

These checkboxes are required.

- The LEA will coordinate with child nutrition personnel to ensure menus are reviewed quarterly by the district wellness committee (**AR Code §6-20-709**).
- The LEA has implemented space in the facility to accommodate breastfeeding mothers (**AR Code §6-18-719**).

Topic 1: Coordination and Implementation of Healthy Nutrition Environment for Students

Hint

Goal 1 Measurable Objective

The district has implemented a food service and will continue to ensure healthy meals and snacks for all students. The overall obesity rate will decrease by 3% for the students at the Bruno-Pyatt campus. Data will be completed in the spring and compared to the previous year.

Goal 1 Activities

Activity	Person Responsible	Timeline
All students receive free meals	Denise Turney	August 2023-2024
Students will receive healthy snacks and meals	Denise Turney	August 2023-2024
Meals will be prepared according to state guidelines	Denise Turney	August 2023-2024
Implement a food service management company to offer more healthy options	Denise Turney	August 2023-2024
Students will be required to take one health class course before graduation	Brittany Poyner	August 2023-2024

Reviewer Comments:

Topic 2: Coordination and Implementation of Physical Activity and Education for Students

Hint

Goal 2 Measurable Objective

Reviewing the current physical activity in the school, opportunities for student engagement before school, during school, and after school will increase overall by 3% by the end of the school year.

Goal 2 Activities

Activity	Person Responsible	Timeline
Brain Breaks will be utilized in grades K-6	Melissa Criner RN	August 2023-2024
Students grades K-6 will have 40 mins of recess daily	Terrin Hollis	August 2023-2024
The district will offer students the opportunity to participate in basketball, baseball, softball, elementary basketball, trap shooting, archery, track, and golf, fishing team.	Terrin Hollis	August 2023-2024
